An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the paragraph "CROSS-REFERENCE TO RELATED APPLICATION", the patent number "6,723,819" has been inserted after the word "Patent".

In line 4 of claim 20, the word "tetramethyldiethylenetriamine" has been changed to "tetramethyldiethylenetriamine".

The following is an examiner's statement of reasons for allowance: The claims are allowable over Green, Savoca or Haas, who show the catalysts of structures 5 or 6, because none show a combination of structures 5 and 6 together. The applicants, in Table 14, show unexpectedly improved polyurethane foam hardness, moldability and odor for the urethanes made using a mixture of catalysts versus the results for foams made using only one catalyst of structure 5 or 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rachel F. Gorr whose telephone number is 571-272-1072. The examiner can normally be reached on Mon., Tues., Thurs., Fri., from 7:00 AM to 5:30 PM.
